Post-Event Show Report

APAC ● DUBAI DIGITAL XCHANGE

19–20 November | Dubai, UAE

APAC ✦ DUBAI DIGITAL XCHANGE

High-impact, invite-only experience for bold thinkers shaping the future.

- Focused on AI and Robotics practical implementation
- Brought together enterprise, innovators, educators, and ecosystem leaders
- Positioned Dubai as a bridge between Middle East and Singapore innovation ecosystems

Translate AI and robotics from vision to execution

- Enable ethical, responsible AI adoption
- Strengthen Middle East–Asia collaboration
- Prepare leaders and organizations for the future of work
